WILL YOU JOIN US?

"Will you join us?" asks Sister Mary Garson, the founder of the Sisters of Our Lady of Grace and Compassion. This is not an idle question; it is a direct challenge to you if you feel you want to serve God in a more complete way; it is an invitation to you to devote your life to helping the aged, the handicapped, the lonely, the misfits.

Are you interested? If you are, come and see for yourself. Spend a few days living the life of the Community with the Community.

RESCUE

A Challenge to all Catholics

The Crusade is moving into a new, crucial phase of its long existence. Our future depends on our willingness and ability to provide a comprehensive child-care service, staffed by qualified personnel, backed by adequate material resources.

We must stress: we provide this broadly based service . . . or we can provide nothing. Half measures are no measures under the latest legislation.

We believe the new approach to be essentially right. We have the will to make it work. We have the trained and qualified staff. But we are sadly lacking in the material resources. We need money. Quickly.

It's up to the Catholics of this country to choose. If Catholic child-care services are to continue, it's up to the Catholic community to provide the means for them to be carried on. It is as true now as it was in Cardinal Manning's day: if the Church doesn't get involved in the care of deprived Catholic children, it loses them. It's up to you. Now!

3 Ways you can help the Crusade of Rescue

1 Contribute to the Society's funds, in particular by a deed of convenant.

2 Support the Society's activities. We will keep you informed of what is going on in your area.

3 Remember the Crusade in your will.

The Crusade of Rescue is the Catholic Children's Society for Westminster and Brentwood. It provides advice, rehabilitation, residential care, fostering. The Crusade is a registered adoption Society.

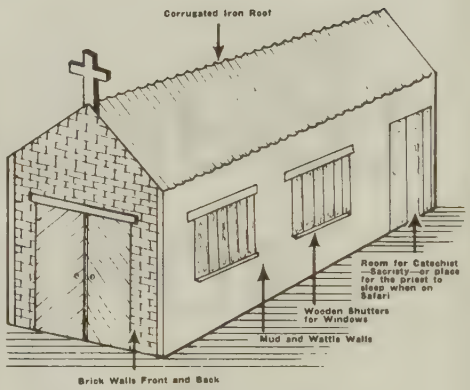
Could you build a Mass Centre on the Missions?



Corrugated Iron Roof
Room for Catechist —Sacristy—or place for the priest to sleep when on Safari
Wooden Shutters for Windows
Mud and Wattle Walls
Brick Walls Front and Back

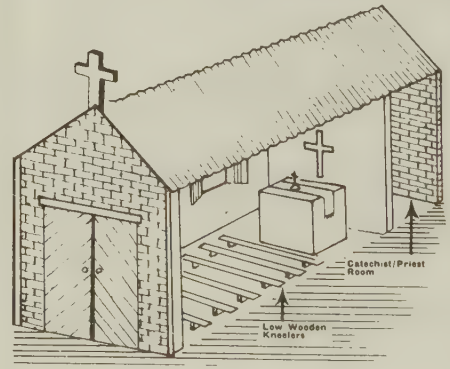
Most priests in the missions have said Mass in many strange places:—in the open, on the verandah of the local 'shop' with the people standing in the street, in classrooms, in garages, under a tree.

The commonest Mass centre is probably a small mud and wattle hut with an earth floor, flattened and smoothed but otherwise untouched.

It is a good thing to keep to the local style of building. For about £300 (plus contributions locally and lots of free labour) it is possible to build a small dignified centre which provides a worthy setting for the holy sacrifice of the Mass. It acts also as a parish or better village centre during the week and is constantly in use for catechism, prayer and just plain social gatherings. Whenever possible this Mass centre includes a small room for the priest or the catechist.

Why don't you have your own Mass centre in a mission? You can have one put up in memory of a loved one—or just in thanksgiving for some favour—or to thank God for being alive. It can be dedicated to your own favourite saint.

No missionary likes to build a church or centre without the help of the local people. It is by sharing in the work that they help to build up a Christian Community. They provide mud, wattle, labour, window shutters and kneelers. They clear the site, lay the foundations and raise the walls up to the window level, but they are unable to proceed any further without the money to buy bricks, cement, corrugated iron and timber for the roof. These materials cost approximately:—



Iron for the roof	£200
Main timber for the roof	£30
Bricks	£60
Door	£10
...	£300

A concrete floor would cost a further £80 or £90.

Missionaries often have to wait as long as 4 years for the money to complete a Mass centre. Please do something to help them.

If you could donate enough to pay for a Mass Centre on the Missions write to:

WHAT DOES SPUC MEAN?

SPUC is the Society for the Protection of Unborn Children. SPUC is non-sectarian, non-denominational. Its members have just one object in common: to bring about a repeal of the existing Abortion Laws. SPUC is—blatantly and unashamedly—a pressure group. SPUC exists to influence the views of doctors and nurses; to bring pressure to bear on local councils and other public bodies; above all to build up and maintain a strong Parliamentary lobby. Parliament is the place where laws are made. It is the only place where they can be unmade.

To support our efforts we need to influence public opinion at large. We need members who share our views: members who will give the time, effort, and money that will turn these aspirations into accomplishments.

We are under no illusions. We realize we can't change the law overnight. We know that we shall succeed in the end: but gradually, one step at a time. We have the will to bring our task to a successful end. We have the energy and the patience. We need the material resources to back them up. Will you help us?

Write to the Secretary, Society for the Protection of Unborn Children, 47 Eaton Place, London SW1.

Abortion is killing.

Help put a stop to it.

SANCTUARY — ST. MARIE'S CHURCH, SHEFFIELD.

After a three year period of thought, consultation and experimentation on the re-ordering of our beautiful Gothic Church for the celebration of the new liturgy, Mr. Frame of J. J. Frame, was consulted to give us his ideas. It soon became obvious that here was a man with enthusiastic, fresh and experienced approach to the problem. He immediately gave us confidence that he could see in his mind's eye the whole church renovated, and after further consultation he submitted an estimate very attractive in price.

The Church itself has many features of carvings and enrichments which for years had never been noticed. With the specialist treatment and highlighting undertaken by this firm, the beauty of the original building is there for all to see. During the period of work it has become clear that the members of this firm are specialists in church decoration, and have shown a wide and certain knowledge of all aspects of church building. A particular care that they have taken is to ensure that any new material introduced is linked in some way with features already present, and a fine example of this is the enrichment of the new high altar with motifs taken from the old.

I have every confidence in recommending this firm, especially for a comprehensive renovation of a church.

Bruges

We specialise in inexpensive mini-holidays and pilgrimages run on house-party lines for Universe readers and their friends.

There are day excursions to places like Buckfast, Prinknash and Walsingham by special charter trains; 7 day coach tours to France; weekend breaks and pilgrimage-holidays at Easter and Christmas.

We begin the season with a club "special" to Belgium to attend the Procession of the Holy Blood in Bruges on the Feast of the Assumption in May. Usually between three and four hundred join the four day excursion which leaves from London.

Do you measure up to a job with the MILL HILL MISSIONARIES

a job where the hours are 24 hours a day, 7 days a week? A job away from home in any one of 18 overseas territories.
A job open to young men who have completed their Secondary education, or men who have completed University or professional training. A job which calls for up to 6 years further training. In fact, much more than a job. This is the service that Mill Hill Priests and Brothers offer to God and Mankind.

Brothers of the Society are the men whose skill lies in their hands—the masons, plumbers, electricians, agriculturalists, etc., and we want many more to help us.

We have a Training Centre in Herefordshire where a boy of 16 could qualify, with a trade, in 5 years, but a candidate who is already skilled could join a Mission Station within a year.

Apart from being able to supply your general book needs (just send details of your requirements), we distribute, each quarter, our list of reviews of selected new religious books. The choice is made from *all* publishers in Britain and America.

This usually amounts to listing over 70 different titles including titles of general interest, or more specialised interest, of special interest to religious, titles for parish use, for teachers etc., as well as new paperbacks, children's books and popular titles still available and now published in paperback.

Each list is automatically posted only to every Catholic Parish Priest in Britain and Ireland and to the Superior of every Catholic Convent in Britain. This might well mean that *you do not* receive a copy at the moment.

Put this right by dropping a card or note to R.P. Book-service at the address below marked for the attention of Mrs K. Ganner, our records supervisor.

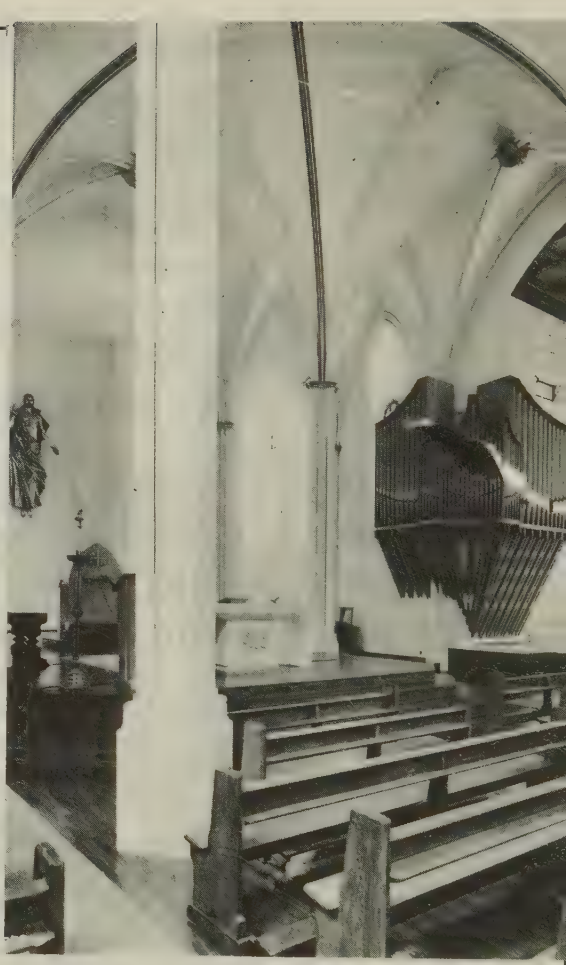
Resurgam...



No other word so aptly describes the renewal of the glory of the Church of Our Lady, St. John's Wood. Founded in 1830 by the gift of the Gallini family — only a year after Catholic Emancipation —, by the beginning of the last war it had become a caricature of its former self. Certainly, some very odd things had happened to it. In the 1840's the Misses Gallini had lived in the south transept. Until 1937 the north transept had been the Rectory. Its interior had been distorted by many ugly additions, and many of its doors and windows had been boarded up.

In 1970 the Parish Priest, Father Michael O'Dwyer, determined that it should be restored. He consulted Sir John Betjeman, who called in Mr. Brandon Jones, President of the Royal Society of Architects and Mr. David Aubrey Williams, Dip. Arch, ARIBA, AIArb, was entrusted with the task of restoring the Church to its original glory.

On Thursday, May 10th, Cardinal Heenan celebrated a Mass of Thanksgiving within the church, now resplendent in white and gold.

'Resurgam', however, does not apply to its magnificent two-manual organ. For this is an instrument designed and newly built in the Walker tradition — a tradition that has been maintained without interruption since 1828.

The opening recital was given by Terence Duffy, organist of the Metropolitan Cathedral of Christ the King, Liverpool, on Wednesday May 23rd.

Special Note

Please note that weeks of the calendar year are numbered on every Monday. These do not correspond with the weeks of the liturgical year. The first example of this in the Catholic Diary may be seen on Sunday, 20th January, which is the second liturgical Sunday of the year, whereas the next day, Monday, 21st, commences the 4th week of the calendar year. A similar disparity occurs in Eastertide when Low Sunday, which is the first Sunday after Easter, is designated as the 2nd Sunday of Easter in the Roman Missal. Likewise, the 1st Sunday after Trinity is the 11th Sunday of the year, and so on.

GENERAL INFORMATION

CANON LAW CONCERNING MARRIAGE

1. The Church normally requires for validity that every marriage between *Catholics*, or between a Catholic and a *non-Catholic*, be celebrated before a Bishop or Priest duly authorised, and two witnesses. Otherwise the parties will not, in the sight of God, be really husband and wife, even though there may be a binding legal contract under civil law. (N.B. A marriage between two non-Catholics is *not* subject to this rule.)

2. In this context, a Catholic means anyone baptised in the Catholic Church; and it also means a baptised person who has become a Catholic.

3. Prior to marriage, so that there may be time for several interviews with the Priest for the instructions, collection of documents, publication of banns, etc., the parties should give notice to the Parish Priest at *least six weeks* before the date proposed for the marriage. (When one or both of the parties come from abroad, a considerably longer period of notice may be required.)

4. The Church permits mixed marriages to take place, but only with certain safeguards. The *usual* conditions for the granting of a dispensation are:-

(a) The Catholic party undertakes to do all in his/her power to have all the children to be born of the marriage baptised and brought up in the Catholic faith, and the non-Catholic party must be made aware of this undertaking. If for any reason the non-Catholic is opposed to the fulfilment of the Catholic's obligation, the *full* situation must be explained to the Bishop when the application for a dispensation is submitted.

(b) The marriage ceremony shall take place in the Catholic Church. For serious reasons, however, the Catholic Church is willing to grant a dispensation enabling the parties of a mixed marriage to have the ceremony in a non-Catholic Church.

FASTING AND ABSTINENCE

By the Apostolic Constitution *Paenitemini* of 17 February 1966, Pope Paul VI completely revised the laws of the Church concerning penance.

In England and Wales the Bishops decreed that as from 1 January 1968 the Friday abstinence may be exchanged for some other work of penance. The *Fasting and Abstinence* on Ash Wednesday and Good Friday are still of obligation.

On *Abstinence Days* flesh meat is forbidden; and on *Fasting Days* those bound to fast are allowed only one meal and a collation.

The law of fasting binds all from the age of 21 until the beginning of the sixtieth year. The law of abstinence now binds only from the age of 14 years.

THE EUCHARISTIC FAST

Since November 1964, the Eucharistic fast has been reduced to one hour. This means that food and drink (even alcoholic, in moderation) may always be taken up to one hour before the time of receiving Holy Communion. Water does not break the fast and so may be taken at any time before receiving Holy Communion. Genuine medicines and non-alcoholic drinks may be taken at any time before receiving Holy Communion by those who are sick (not necessarily bedridden or housebound).

'The nature of man is not what he is born as but what he is born for'. – Aristotle

ABBREVIATIONS USED IN DIRECTORY

In the parish entries † denotes that the church is registered for Marriages.

When two dates are given, the first is generally that of the foundation of the Parish; the second is the date of the existing Church or Chapel.

Notice of Evening Mass on Holidays of Obligation does not apply to Christmas Day nor to any falling on a Sunday.

In the notices of services it is found necessary, for want of space, to omit the mention of weekday Masses and many minor and occasional services; also to omit other details, in regard to confraternities, etc. Times of confession are 'p.m.', except where otherwise stated or is clearly evident.

Where a telephone number of *two to six figures* is given without an exchange it is to be assumed that the exchange bears the name of the town to which the entry refers. All-figure numbers (those which have no exchange name) are in operation in London, Birmingham, Liverpool and Manchester (and also in Edinburgh and Glasgow). The figure before the hyphen in these numbers are not dialled if the call is a local one. Outside these cities all-figure numbers have not been introduced and telephone numbers should continue to be referred to by name and number, e.g. Sheffield 34344. However, most telephone numbers can be dialled by subscribers, using a code for the name of the exchange. In this Directory, the *national* STD (Subscriber Trunk Dialling) code – if there is one – for the local exchange is given in brackets after the name of the exchange *in the entry for the parish church*, or, in the case of large towns, *in the entry for the first-mentioned church* with one or two exceptions. But the codes vary in some areas (particularly in the vicinity of large towns) and, in cases of difficulty, the Booklet on Local Dialling Codes, issued to all subscribers, should be consulted.

NOTE ON SCHOOLS

As the inclusion of full information concerning all Catholic Schools in England and Wales would add considerably to the extent and cost of the Directory, and as such information is available in the various diocesan directories and in *Catholic Education*, published every two years by the Catholic Education Council, the only schools mentioned in this Directory are those conducted by priests and religious orders and congregations, grammar schools and those schools used as Mass centres.

PAUL VI

BISHOP OF ROME

VICAR OF JESUS CHRIST

SUCCESSOR OF ST PETER PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH,
PATRIARCH OF THE WEST, PRIMATE OF ITALY,
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF THE STATE OF THE VATICAN CITY.

His Holiness POPE PAUL VI (Giovanni Battista Montini), Roman Pontiff, was born in Concesio, Italy, 26 September 1897; ordained Priest 29 May 1920; nominated Archbishop of Milan 1 November 1954; consecrated 12 December 1954; created Cardinal 15 December 1958; elected Pope 21 June 1963; crowned 30 June 1963.

THE SACRED COLLEGE OF CARDINALS

Cardinals are priests of outstanding learning, piety, judgment and ability, chosen by the Pope (who alone has power to create Cardinals) to assist and to advise him in the government of the Church. They rank as Princes of royal blood, have the title of Emince and take precedence over bishops and all other prelates. Since the twelfth century they have been constituted as the Sacred College; they form the Senate of the Supreme Pontiff snd on his death it is they who elect his successor.

Before the Sacred College was established in its present form, the Pope had his body of advisers, composed of the neighbouring bishops and representatives of the priests and deacons of the City of Rome. These three divisions or Orders are still retained in the Sacred College.

(a) Cardinal Bishops are the bishops of the seven 'Titular suburbicarian Sees', viz. the dioceses which adjoin the City of Rome. The Titular See of Ostia is always assigned to the senior Cardinal Bishop (who is also Dean of the Sacred College) in addition to that diocese which he already holds.

(b) Cardinal Priests, formerly the rectors of the ancient 'titular churches' of Rome, are now in fact archbishops or bishops, mostly with dioceses outside Rome and thus not resident in Curia.

(c) Cardinal Deacons, formerly the deacons in charge of the regional divisions of Rome, are now Bishops holding important posts in the Roman Curia.

There are at present 138 Cardinals. Of the 138 Cardinals living 1 was created by Pius XI; 14 by Pius XII; 20 by John XXIII; 103 by Paul VI.

Of the 139 Cardinals, 39 are Italian; 11 from U.S.A.; 9 France; 6 Germany; 5 each Brazil and Spain; 4 Canada; 3 each Australia, Holland, Poland and Portugal; 2 each Argentine, Columbia, India, Japan, Lebanon, Mexico and Zaire; and one each from Algeria, Austria, Belgium, Bolivia, Chile, China, Czechoslovakia, Ecuador, England, Guatemala, Hungary, Indonesia, Ireland, Kenya, Korea, Madagascar, New Zealand, Pakistan, Peru, Philippines, Puerto Rico, Samoa, Scotland, Sri Lanka, South Africa, Sudan, Switzerland, Tanzania, Ukraine, Uruguay, Venezuela, Upper Volta, and Yugoslavia.

SEES IN GREAT BRITAIN AND IRELAND

I. ENGLAND AND WALES

A. SINCE THE RESTORATION OF THE HIERARCHY (1850)

By Letters Apostolic (*Universalis Ecclesiæ*) of Pius IX, dated 29 Sept 1850, the English Hierarchy was restored, and the Metropolitan See fixed at Westminster. There were at first twelve Suffragan Sees: Beverley, Birmingham, Clifton, Hexham, Liverpool, Newport and Menevia, Northampton, Nottingham, Plymouth, Salford, Shrewsbury and Southwark. On 23 May 1861, the title of Hexham was changed to Hexham and Newcastle. On 20 Dec 1878, the diocese of Beverley was divided by Leo XIII into two, Leeds and Middlesbrough. On 19 May 1882, the new diocese of Portsmouth was formed out of Southwark. By an Apostolic Brief (*De animarum salute*) of 4 March 1895, the Principality of Wales (except Glamorganshire) was made a separate Vicariate, with a Bishop as Vicar-Apostolic. The Vicariate, which had remained attached to the Province of Westminster, was changed on 12 May 1898 to the diocese of Menevia, and became a Suffragan See, the title of Newport and Menevia having been changed in 1896 to that of Newport only. Thus the Province of Westminster had at that time fifteen Suffragan Sees.

By Letters Apostolic (*Si qua est*) of 28 Oct 1911, Pius X divided the Province of Westminster into three new Provinces, viz. Westminster, Liverpool and Birmingham, reserving certain special privileges to the Archbishop of Westminster. The other dioceses were rearranged as follows:

With Westminster remained Northampton, Nottingham, Portsmouth and Southwark. To Birmingham were assigned the dioceses of Clifton, Newport, Plymouth, Shrewsbury and Menevia; the remaining sees of Hexham and Newcastle, Leeds, Middlesbrough and Salford were assigned to Liverpool.

By Letters Apostolic (*Cambria Celtica*) of 7 Feb 1916, Benedict XV raised Newport to Archiepiscopal rank, under the title of Cardiff; and Menevia became a Suffragan See of this new Province.

On 22 March 1917, the county of Essex, which had formerly formed part of the Archdiocese of Westminster, was made by Benedict XV into a separate diocese, and by a Bull (*Universalis Ecclesiæ procuratio*) dated 20 July 1917, the Episcopal See was fixed at Brentwood, which accordingly became an additional Suffragan See of Westminster.

On 22 Nov 1924, by Apostolic Constitution (*Universalis Ecclesiæ sollicitudo*) a new Diocese of Lancaster was formed of the Counties of Cumberland and Westmorland, taken from the Diocese of Hexham and Newcastle, and Lancashire, north of the river Ribble, taken from the Archdiocese of Liverpool, of which this new Diocese became an additional Suffragan See.

On 28 May 1965, by Letters Apostolic (*Romanorum Pontificum*), Pope Paul VI decreed the formation of the new Province of Southwark to include the dioceses of Southwark, Portsmouth, Plymouth and Arundel and Brighton. By the same Letters the new Diocese of Arundel and Brighton was formed of the County of Sussex and the County of Surrey, south of the river Thames and outside the new Greater London Boroughs, taken from the Diocese of Southwark, Plymouth is taken from the Province of Birmingham: Southwark and Portsmouth are taken from the Province of Westminster.

NATIONAL CONFERENCE OF PRIESTS
(ENGLAND AND WALES)

First convened by the Hierarchy at Woodhall in June 1970. Constitution accepted by priests at Liverpool in September 1971 and by bishops in November of that year.

Each diocese sends four representatives elected by the priests. The specialist groups are also represented.

The object of the Conference is 'to provide an opportunity for members of the clergy elected by their brethren to discuss the life and ministry of the priest in England and Wales, and to make recommendations to the Bishops' Conference'.

The Conference is represented on the Laity Commission, the Commission for Priestly Formation and liaises with the National Committee for Population Study.

DECEASED CLERGY ASSOCIATION

FOR ENGLAND AND WALES

By a Decree of the Sacred Congregation for the Clergy, dated 16 April 1970, the division of the Association has been changed:

A. Westminster, Brentwood, Northampton, and Nottingham.
B. Birmingham, Cardiff, Clifton, Menevia, and Shrewsbury.
C. Southwark, Arundel and Brighton, Plymouth, and Portsmouth.
D. Liverpool and Salford.
E. Hexham and Newcastle, Lancaster, Leeds, and Middlesbrough.

The other regulations (Sacred Congregation of the Council 3 December 1938) remain the same:

(i) That those priests who are Military Chaplains should remain associates of the diocese from which they were transferred to Military Service.
(ii) That priests, who are lawfully prevented by sickness from celebrating Mass for more than three months, may satisfy their obligation by the application of one Mass for all those associates who died during the period of sickness. If a priest is permanently unable to say Mass, he can arrange that, after his death, one Mass is said by another priest, in order to fulfil his obligation. The favour granted by the above does not include relief from offering Masses for those associates who may have died before the illness and for whom Masses have still to be offered.

In each Diocese there is a Registrar appointed to keep a list of the Members of his Diocese and to send out the obituary notices. The names of the Registrars will be found under the respective Dioceses.

Bishops, whether Secular or Regular, and Secular Priests become Members of the Association by inscribing their names, either personally or by proxy, upon the list of Associates kept by the Registrar of their Diocese. They thereby bind themselves for life to offer a Mass for every deceased Member belonging to the Division to which they themselves belong.

Priests who are permanenty transferred from one division to another are required to transfer their names to a list of that Division. Those who cease to be subject to the jurisdiction of the Bishops in England and Wales lose thereby the benefit of membership. But those attached to the English Colleges abroad or to the Papal Court, may have the benefit of membership by having their names inscribed on the Register of their Diocese.

The Masses of the Association are *privileged.*

According to a Papal Rescript of 13 April 1869, no priest can become a Member after three years from the day of his entrance into his Diocese. This restriction, withdrawn by a Rescript of 5 July, 1885, was restored by a Rescript of 15 August 1886.

PRIESTS OF ENGLAND AND WALES

SECULAR AND REGULAR

1. Names not appearing in the diocesan parts of the Directory need for insertion in this list the sanction of Ecclesiastical or Religious Superiors; and a request for their insertion must be sent to the Editor each year.

2. Names of some Priests employed or residing abroad, but ecclesiastically connected with England and Wales, are included in this List; it is not possible to include members of missionary orders unless they are stationed in Great Britain.

3. The name of the diocese of Priests of England and Wales unattached, retired, invalided, or permanently living out of their own diocese is added in brackets.

4. The names of Polish and C.F.I. priests working in England and Wales are not given in this list but are on pp. 423–426.

5. Postcodes are included in most addresses. The postcode should form the last line of an address without any punctuation.

6. The numeral in brackets following the address of certain priests indicates their position in the diocesan section of the Directory. A figure alone refers to page number; figure following a letter refers to the number of the parochial entry in the town mentioned.

NOTES ON SCHOOL STATISTICS

These have been supplied by the Catholic Education Council

Schools
Separate departments with their own head teacher have, in these statistics, been counted as separate schools.

Pupils
The total number of pupils, including non-Catholics, has been given.

Voluntary Schools
Those maintained by the Local Education Authority. Catholic voluntary schools are either Aided or Special Agreement schools.

Primary Schools
Those providing education for pupils up to and including the age of eleven.

Secondary Schools
Those providing education for senior pupils.

Direct Grant Schools
Those which receive a grant per capita directly from the Department of Education and Science.

Special Schools
Those which provide education by special methods appropriate for children suffering from any disability of mind or body, i.e., educationally sub-normal children, mental defectives, epileptics, blind, deaf or crippled children.

NOTES ON STATISTICS OF DIOCESES OF ENGLAND AND WALES, 1974

The table on page 631 sets out in summary form the statistics of clergy, churches and parishes for 1973, and the parish register returns for 1972.

1. The figures of clergy, churches and convents are supplied by the ecclesiastical authorities listed in the first column of the Statistics.

2. The figures of infant baptisms, marriages and conversions are taken from the records which are kept by each parish.

3. The marriage total comprises both marriages between two Catholics and mixed marriages.

4. The figures for the Catholic population of this country are supplied by the parish clergy, who give an estimate of the number of Catholics known to live in their parish. It is generally agreed that the resultant figures probably underestimate the Catholic population of the country and they should not be regarded as a very reliable guide to the site of the total Catholic population.

5. From 1955, a standard form of Parish Register Return was adopted by an increasing number of the dioceses. This in some cases changed the basis of computation and explains certain anomalies which may appear at first sight in the comparison of population estimates over the last few years. From 1970 the standard form was used by all dioceses.

ESTABLISHED IN 1885

To those who are Aged and Poor we offer help!

The elderly who have known better times, more than any other section of the community are greatly in need of help.

Inflation does not stop for them either—but they do not have group bargaining to help or the physical ability to earn a wage. A little comfort and understanding after a lifetime of toil is surely not too much to ask for our senior citizens. You can help by sending a donation, arranging a covenant or remembering the Aged Poor Society in your will.

Founded 1708. Offices: 39 Eccleston Square, London SW1. Telephone: 01–834 4982.

Patrons: His Eminence, the Cardinal Archbishop of Westminster.
His Grace, the Archbishop of Southwark.
His Lordship, the Bishop of Brentwood.

President: The Viscount Furness.

Hon. Treasurer: G. B. Shaw, Esq., T.D.

Directors: Major W. F. Eyre, M.B.E. (Chairman), 1953.
B. C. Bicknell, Esq., T.D., 1960.
A. Brand, Esq., 1970.

The Hon. G. E. Noel, 1960.
A. Radcliffe, Esq., 1969.
G. B. Shaw, Esq., T.D., 1964.

The Society gives Pensions and Grants to aged Catholics who find themselves in reduced circumstances.

In addition to granting Pensions, the Society also provides free accommodation in St Joseph's House, Brook Green, W6.

An annual subscription of One Guinea entitles the subscriber (after the third subscription) to be a Governor. A Donation of £20 paid in one sum constitutes a Governor for Life.

All legacies should be left to the Hon. Treasurer of the Society for the time being.

Please telephone the Secretary, Miss Flood, who will be pleased to give you further information about the work of the Society.

Once the home of the Herbert family, this splendid Palladian Mansion is now the preparatory school for Belmont Abbey, under the direction of the Benedictine monks of the same Community. Five Benedictines, assisted by seven qualified lay masters and mistresses make up the staff. There are two Matrons who are both State Registered Nurses.

Built in 1770, the Court is situated in the rich pastoral countryside of the Monmouthshire border, and stands in its own grounds of 80 acres. Excellent sporting and leisure facilities include a swimming pool, nine-hole golf course, and two hard tennis courts. The school has an outstanding sporting record.

The school is recognised as efficient by the Department of Education and Science, and is in membership of the Incorporated Association of Preparatory Schools. Boys are accepted from the age of eight and are prepared for entry to Belmont and other Catholic public schools.

Head Master: Rev. J. M. Jabalé. L.èsL.

LLANARTH COURT, RAGLAN, MONMOUTHSHIRE.

Head Master,: Dom Illtud Barrett. M.A. (Oxon.)

THE Belmont Benedictines have a Preparatory School at Llanarth Court, as well as their School at Belmont. Llanarth prepares boys for entry to Public Schools and Belmont in particular.

The firm principle at both Schools is to combine the Benedictine and English traditional Public School ideals in education with what is best today in material facilities and the understanding of young people. Relatively, the Schools are small: their size permits the maximum of personal interest but also a sound academic standard and a wide range of games and activities. The sixth Form teaching and Tutorial System provides a thorough preparation for the G.C.E. and University.

There is a particular tradition of the closest co-operation between parents and the Belmont Community in constantly reappraising and planning for the needs of the two Schools. In recent years, this has brought a vast amount of development in modern accommodation and equipment the latest in science facilities and the best in catering arrangements. The result of all this is a balanced and stable environment in which boys can be educated in the fullest sense.

All Hallows College was founded for the education of missionary priests for foreign countries, especially those countries to which Irish people have emigrated. No students can be educated in it for a home mission.

At present, there are some 1,300 past students of the college working in dioceses all over the world; while there are 120 students in the college.

The Directors of the college have been enabled to carry on this excellent work mainly through the generosity of benefactors; and they confidently hope that other equally generous benefactors will help them to continue the work. Mass and prayers are offered daily in the college for all benefactors.

Prospective freshmen should have passed the Leaving Certificate or G.C.E., or an equivalent examination, and be recommended by the President of the College where they have studied, their former employers (in the case of those who have left school for some time), and their parish clergy. Application for admission to the college should be made to the President. The college opens annually in mid-September. Students are admitted on the understanding that they intend to complete the full course in the college.

1. MISSIONARY UNION OF PRIESTS, BROTHERS, NUNS

The aim of the Missionary Union is to put at the service of the Church, organised work to promote among Catholics a more lively interest and wider co-operation in the work of the missions.

To attain its end, the M.U. makes use of prayer chiefly, and THE OUTLOOK, a quarterly review; it seeks to foster missionary vocations, and to establish in all parishes the Pontifical Mission Aid Societies.

The Outlook, a quarterly review: 50p per year.

National Director: Very Rev. Mgr. JOHN L. COONAN, S.T.L.

2. ASSOCIATION FOR THE PROPAGATION OF THE FAITH

The Association, in the words of the Holy Father, "the chief of missionary organisations", appeals to the faithful throughout the world for the support of all the missions by prayers and alms.

There are diocesan directors; and it is the wish of the Holy Father that the Association should be established in every parish. Parochial centres are divided into groups under promoters.
Missions and Missionaries, the quarterly publication, circulates among members.

National Director: Very Rev. Mgr. JOHN L. COONAN, S.T.L.

3. SOCIETY OF ST. PETER APOSTLE FOR NATIVE CLERGY

THE SECULAR CLERGY COMMON FUND

Founded in 1701

This Fund, whose history carries us back into Penal Times, was established to suppor Aged and Infirm Priests of the old London District, and is still the main support of such Priests of the five dioceses of Westminster, Southwark, Portsmouth, Brentwood and Arundel and Brighton—the old London District—who are members of the Fund.

The continual and, at times, rapid growth of the Secular Clergy working in these five dioceses is, year by year, increasing the demands made upon the resources of the Fund. The Administrators, therefore, feel confident that their appeal to the Catholic laity of the five dioceses on behalf of the sick and aged members of the Fund, who have spent themselves in their service, will meet with a generous response.

Donations should be sent to the Very Rev. Canon John F. Marriott, St. Mary's Cemetery Harrow Road, London, NW10 5NU.

Chief Administrator:

THE VERY REV. CANON JOHN F. MARRIOTT

Administrators:

St. Patrick's Catholic Cemetery, Leytonstone, near Stratford, E.11 *Telephone:* 01-539 24

The Revenue of these Cemeteries is entirely devoted to the maintenance of the invalid Priests of the dioceses of Westminster, Southwark, Portsmouth, Brentwood and Arundel and Brighton who are members of the Secular Clergy Common Fund.

The Holy Sacrifice of the Mass is offered more than 4,000 times a year for those who are buried in these Cemeteries, and for all Benefactors of the Secular Clergy Common Fund.

THE CATHOLIC EDUCATION COUNCIL FOR ENGLAND AND WALES

Chairman: Rt. Rev. A. J. Emery, Auxiliary Bishop of Birmingham
Bankers: The Midland Bank Ltd, 69 Pall Mall, SW1Y 5EY
Secretary: R. F. Cunningham, Esq., Assistant Secretary: to be appointed,
41 Cromwell Road, London, SW7 2DJ. 01-584 7491

THE CATHOLIC EDUCATION COUNCIL, established in 1905 by the Bishops of England and Wales, represents the Hierarchy and the Catholic body in matters concerning education. The Council consists of two representatives from each Diocese in England and Wales, chosen by each Ordinary: 12 chosen by the Bishops of England and Wales and representatives of Catholic organisations concerned with education.

The main work of the Council is as follows:

It acts as an advisory body to the Hierarchy on all matters affecting Catholic Primary and Secondary Schools and Colleges of Education and in addition it undertakes such tasks in the field of Catholic education as it may be charged with by the Hierarchy.

It is responsible for representing Catholic interests with the Department of Education and Science and certain other national education organisations in matters of national policy and it assists the appropriate Catholic authorities in their negotiations with these bodies over other matters.

It acts as a bureau of information and advice on matters educational both to Catholic bodies and to individual Catholics.

It contributes towards the provision of certain Colleges of Education for the training of Catholic teachers, namely St. Mary's, Strawberry Hill; All Saints', Leeds; Newman, Birmingham; and Christ's College, Liverpool, where it shares responsibility with the Ursulines of the Roman Union.

It distributed in 1972 grants amounting in all to over £4,810 to 12 Catholic schools in various parts of the country, which receive no assistance from rates or taxes, and to 48 Parishes to enable them to send children to the nearest Catholic schools.

The need for more funds for this work is urgent. The non-maintained schools frequently develop into Voluntary Schools, whilst the conveyance of children from outlying districts not only provides Catholic education for them but helps to consolidate and strengthen the schools they attend.

An Auxilliary Missionary Association for women the MESSENGERS OF THE HOLY SPIRIT has also been formed in Argentina.

Those who feel the CALL to the PRIESTHOOD to work in Latin America are welcome to our Seminary here in Hertfordshire. PRIEST VOLUNTEERS ARE WELCOME. LATE VOCATIONS specially catered for.
